

# Spring Pasture Management

Offered by Indian River County  
Extension Agent Christine Kelly-Begazo

Get all the information that you need to whip your pastures into shape for the coming growing season! Topics to be covered will be:

- Overview of Growing Season
- Importance of Soil Sampling
- Spring Fertilization
- Water Requirements and Irrigation
- Nutrient Management
- Grazing Techniques

DATE: **April 22, 2017**

TIME: 9:00am-12:30pm

PLACE: Indian River County Admin Bldg B  
1800 27th St., Rm. 501B (behind the stairs)  
Vero Beach, FL 32960

FEE: \$15 per person; includes materials, soil sampling on site, break drinks and snacks. \$10 per additional farm/family member.

Pre-registration is required to guarantee seating.

Go to <https://irc-2017springpm.eventbrite.com> to register.

For more information, email Christine at [ckellybe@ufl.edu](mailto:ckellybe@ufl.edu).

Get ahead of the pack and go to [http://solutionsforyourlife.ufl.edu/hot\\_topics/agriculture/soil\\_testing.html](http://solutionsforyourlife.ufl.edu/hot_topics/agriculture/soil_testing.html) for information on taking a good soil sample. Bring it in and we will analyse the pH for you the same day.
